Copy 6 of 6

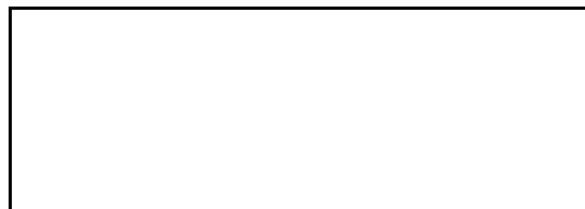

12 June 1967

MEMORANDUM FOR: Chief, Control Center, OSA

SUBJECT: Monitoring Support Aircraft Movements

25X1C
1. During the redeployment of the IDEALIST assets from [] an obvious lack of information regarding support aircraft movements was observed. A responsibility of the Control Center is to have posted scheduled departure times and arrival times with actual times being indicated when available.

2. You are responsible to provide this information on a daily basis for briefing of the Director. Arrangements should be made with the Deputy for Materiel, OSA, concerning numbers of aircraft and if necessary, you should dispatch messages to the applicable base requesting that such information be provided on an expeditious basis. This policy applies to all support aircraft movements for either of our projects.
